Warm chestnut paneling, towering stone chimneys, four fireplaces, restored oak floors -- this is definitely not your cookie-cutter conference hall. You may be in the heart of a national park, but the Conference Hall at **Skyland Resort** provides the modern business conveniences you need.

A Peaceful Retreat That Works Hard For Business.

Custom-designed for business meetings, Skyland's Conference Hall's spaciousness and lodge-like ambiance make doing business a pleasure. Its meeting rooms can accommodate groups of 20 to 80. Two breakout rooms offer places to work in privacy and quiet. Facilities include audio-visual equipment, presentation tools, and many more business amenities. We offer lodging, catering and banquet services, and virtually everything you'll need to plan your event.

Smaller groups may prefer the meeting room at **Big Meadows Lodge**, which accommodates up to 30 people. This comfortable, chestnut-paneled space provides a wonderful atmosphere for a planning meeting or retreat.

Park Entrance Fee: \$15.00 per private vehicle. Park Entrance Fee not included in CMP rate.
