ARAMARK Acquires Togwotee Mountain Lodge
*Resort is Known as North America's
Premiere Snowmobile Destination*

Moran, WY (May 29, 2008) – ARAMARK Parks and Destinations, a leading operator of national and state parks, resorts and tourist destinations, today announced it has purchased Togwotee Mountain Lodge located high above Jackson Hole, WY, in the mountains of Bridger-Teton National Forest. ARAMARK Parks and Destinations will be responsible for all management and operational functions of the property, known as North America's best snowmobile destination.

"We are proud to add Togwotee Mountain Lodge to our portfolio of properties," said Bruce Fears, president, ARAMARK Parks and Destinations. "Togwotee exemplifies ARAMARK Parks and Destinations' continued commitment to providing the public with innovative travel and leisure experiences. We are excited to offer guests a variety of year-round activities especially enhancing an already amazing snowmobiling experience."

Togwotee translates to "from here you can go anywhere" in the language of the Mountain Crow Indian tribe. True to this meaning, Togwotee Mountain Lodge lies in close proximity to the Grand Loop, which includes Jackson Hole, Grand Teton and Yellowstone National Parks.

With access to 600 miles of snowmobile trails, Togwotee Mountain Lodge has earned its reputation as the world's premier snowmobile resort for winter vacations. Guests enjoy snowmobiling tours of Yellowstone and the Continental Divide, extreme snowmobiling, dog sled tours into the backcountry and Jackson Hole night and day trips in winter months.

The array of year-round activities include horseback riding trips in the Teton Mountain Range, fishing trips to surrounding rivers and lakes, whitewater rafting trips, scenic float raft trips inside Grand Teton National Park, mountain biking, and hot air balloon rides in the summer.

Located in the country around Togwotee Pass on the eastern rim of Jackson Hole, just 40 minutes from Yellowstone, the western-style Togwotee Mountain Lodge offers family-style cabins and lodge rooms with queen beds, full baths and cable television. Catering to individuals and groups, the full-service mountain resort also includes a pavilion for corporate meetings, weddings, parties or family get-togethers; hot tubs; the Red Fox Saloon and the Grizzly Steakhouse dining room.
